Total Engineering and Integration Support (TEIS)

Vic Wallace

538-3002

wallacev@hqisec.army.mil

TEIS

- **Engineering Services**
  - **Primarily in support of ISEC, but available to others**
- **IDIQ**
- **Expect to release RFP soon**
- **Expect to begin evaluation approximatly mid October**
- **Evaluation will include assessment of Performance Risk**
  - **Strong focus on past work closely related to SOW requirements**
  - **Need evaluators.**

TEIS

- **Performance Risk Assessment Group**
  - **Technical background:**
    - Some knowledge of ISEC's business area
    - Familiarity with Information Technology
    - Fundamental knowledge of contracting.
  - **Non-technical:**
    - Fundamental knowledge of contracting
    - Familiarity with office automation
  - **All**
    - Need to be free of "interests" in IT corporations
    - Available mid October for about 4 weeks (Could be longer)
    - Available to work overtime.

TEIS

ISEC needs help.

Please call Vic Wallace if you have someone to offer.
